OBJECTIVE

Computer engineering student interested in a Summer 2022 internship. Passionate about business and entrepreneurship, and founder of Karate Fox Studios, a software development company.

EDUCATION

BS in Computer Engineering | Texas A&M University

May 2024

- Current GPA: 4.0 after 36 credit hours.
- Awarded a full-ride (\$92,000) scholarship by the Craig and Galen Brown Foundation based on academic excellence and status as a National Merit Finalist.
- Relevant Coursework: Data Structures, Digital Systems Design, Third Calculus.

EXPERIENCE

Founder | Karate Fox Studios

January 2019 - Present

- Created a software development business that consistently generates \$2,000 in monthly revenue with a lifetime revenue of \$34,000.
- Developed code for interactive, community-based websites including kupiter.org and blocktanks.io
- Managed marketing campaigns and brand deals that increased user awareness of company projects.
- Hired and trained programmers and artists to assist with company operations.

Web Developer | MentorWings

June 2019 - December 2019

- Developed "SkillFolios," a prototype website that allows artists to create skill-focused portfolios.

Team Member | Chick-Fil-A

July 2018 - September 2018

- Performed various roles such as cashier and dining room host. Demonstrated a strong work ethic and effective teamwork.

PROJECTS

BlockTanks (blocktanks.io)

January 2016 - Present

- Designed and built a multiplayer battle game using HTML, NodeJS, MongoDB, and Websockets.
- Monetized with Google AdSense and in-app purchases, with approximately 50,000 users per month.

Kupiter (kupiter.org)

July 2016 - December 2020

- Built a game-based studying tool using HTML, NodeJS, and MongoDB.
- Marketed the project by contacting educational blogs, resulting in widespread use by students and teachers around the nation (approximately 3,000 users per month).

SKILLS

- Programming Languages: C++, Python, Java, JavaScript
- Programming Technologies: Git, NodeJS, MongoDB
- Art and Design: HTML, Adobe Certified Associate (ACA) in Photoshop, Illustrator, and Premiere Pro

ACTIVITIES

- Member of TAMU Obstacle Course Racing and IEEE.
- Cross country runner throughout high school.
- Black belt in Mu Duk Kwan Taekwondo.
